5) The Toll Establishment of the Mysore City Municipality consists of one Head Man on Rs 25/- Plus 5/- C A One Clerk on Rs 25/- and 24 peons on Rs 10/- each This establishment is being continued on a temporary basis year after year since 1934-35 with Government sanction Provision is also being made in the Budget for each year in anticipation of sanction to the continuance As the Toll is a permanent source of revenue, it is desirable that the establishment be made permanent

6) As regards the additional expenditure that the Municipality may have to meet in the shape of the leave and and pensionary charges, provision will have to be made in the Budgets of future years

7) Regarding the suggestion of the President to allow the men to count their service for leave etc , from the date of their employment, it has to be stated that Service Registers or Records of Service are not maintained and it would be difficult to ascertain the history of their services to build up their Service Registers now The leave concessions may therefore be allowed from the date from which the establishment is made permanent

It would be particularly hard on these Lower Officials if the temporary Service rendered by them in the Mysore City Municipality is to be ignored merely on the ground that it is difficult to build up their service registers now An enquiry will be made as to whether there is any difficulty in opening the Service registers

The T&R establishment of the Mysore City T&R consists of one Head Asst. on Rs 25+5 C.A., one clerk on Rs 25- and 24 peons on Rs 10/- each = 7

This establishment is being continued on a ~~plan~~ temporary basis from the year 1934—35

We T&R have received on 31 3 45 that it may be confirmed with effect from the date of appointment as it being continued for over 10 years

The Comptroller who was consulted on the matter has stated that as T&R is a permanent source of revenue it is desirable that the establishment should be made permanent. For the cities reported, the proposal of the T&R to place the above T&R establishment on a permanent basis may be approved

The leave concessions may be allowed from the date from which the establishment was made permanent/as stated by the comptroller
